An illustration featuring two stylized human figures, one on the left with grey hair and one on the right with brown hair, both with neutral expressions. They are positioned within a light green, rounded rectangular frame. Above the left figure is a light blue speech bubble containing three dots. Below the right figure is a light yellow speech bubble containing three dots. A horizontal line of seven small yellow dots is positioned between the two figures' heads. The entire scene is set against a light grey and white checkerboard background.

Eye Contact
